

The Happiness Project

The Happiness Project was established by TMS APAC to support and sustain thriving communities built on the foundation of great teamwork and leadership.

TMS APAC encourages our accredited practitioners to apply for a one-off draw of a maximum of 10 free profiles to support a charity of their choosing. Specific selection criteria is outlined below.

Terms and Conditions

- ▶ The annual TMS APAC charity pool contains \$10,000 worth of complimentary profiles.
- ▶ There is an annual limit of 10 complimentary profiles per accredited practitioner or company in a single application.
- ▶ The application must be for a single charity workshop and cannot be split across multiple charities or multiple programs. As part of the application and audit process, we will require the charity's registration number and a contact name.
- ▶ The complimentary profiles must be used in the financial year within which they were granted and cannot be carried over to the following year.
- ▶ The complimentary profiles only apply to the TMP, QO₂, and WoWV.
- ▶ The program must be facilitated within 3 months of the application being approved, otherwise the allocated profiles will return to the charity pool.
- ▶ Allocation is granted based on submission approval. TMS APAC will review and advise the applicant of the outcome or if any further information may be required.
- ▶ Accredited practitioners can use the complimentary profiles in conjunction with a 20% approved charity discount on the balance of profiles if required.
- ▶ The charity pool of complimentary profiles will be reset on 1st July 2025.
- ▶ The decision of TMS APAC is final and non-negotiable.
